

## **General information GDPR**

The General Data Protection Regulation (GDPR) will apply from May 25, 2018. This means that from that date onwards, the same privacy legislation applies throughout the European Union (EU).

### **Elysee Foot & Skincare does the following to comply with this law;**

- My website DOES NOT use "Cookies".
- In no way will customer data be shown to third parties or shared with third parties.
- During your visit to my salon for a treatment, I record a few personal details, such as:
  - o name
  - o information about the treatment

During your visit you can always view your data.

### **What does Elysee Foot & Skincare do with the client and treatment data?**

- The data on the customer card relating to the treatment are exclusively used as a history: what was the problem at the moment you entered Elysee Foot & Skincare as a customer and how is the status of the problem during a follow-up treatment.
- If a customer has not used the services of Elysee Foot & Skincare for more than 3 years, the customer card will be destroyed.
- The personal and treatment details of the customer card are not stored in a computer.
